Website directory ad submissions

For maximum impact, restrict content to only that which is necessary as space is limited. In most cases, this means your company logo and your website address. As this is specifically a web directory, no phone numbers or other contact information is necessary.

Remember, this will be placed in our print edition - please provide your final file at print quality. We will convert the file for our online edition.

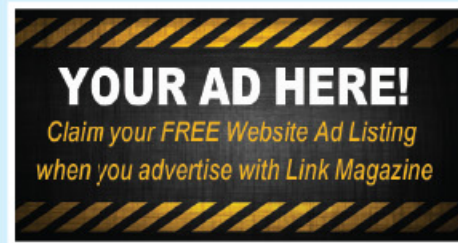

Your final ad size is 2.375" x 1.25"

Accepted file formats: PDF | Embed Fonts & Images | CMYK | Minimum 300dpi

If you would like your main ad and/or your web directory ad to hyperlink to a site or page on your site other than your homepage, please submit your request when supplying your artwork.

Hyperlink change requests are performed at the publisher's discretion.
